Para 6 of GC's opinion
6. From the above, it is the opinion of
this office that if the DD/A agrees w/the ini-
tial determination of the WE Div that the tour-
ist nature of Miss. R's cover precluded the ship-
ment of her effects to her, then he may auth-
orize the reimbursemt of Miss R for the cost
of the storage of her effects in Wash. during
the period of her duty [] Such
reimbursement must be limited to the weight
allowance of such effects authorized for Miss R
as there is no showing of any connection between
any excess weight and any of the "unusual
functions" of the Agency. []/OGC
